

A FRAMEWORK FOR INQUIRY-BASED PROJECT WORK

Opal School Online

1. What is the intention of the project?
2. List two or more of your pedagogical questions.
3. What might be the children's questions?
4. What are the possibilities for rich, complex experiences?
5. What about content and skills?
6. What planning is required?
7. Which languages of the arts will support the project?
8. How will you get started?
9. What inquiry questions do you think will be helpful?
10. How will you move forward after the first experience?
11. How will you document the project as it progresses?
